*** THIS IS MY SUPPLEMENT REPORT FOR MY INVOLVEMENT ***

On today's date 11-29-16 at approximately 1223 hours, I was operating marked FLPD Cruiser 6766.

I was dispatched to 2300 W. Sunrise Blvd, (t/a McDonalds), Ft. Lauderdale, Broward County, FL, for a priority back up, reference an officer involved shooting.

SEE ORIGINAL REPORT FOR DETAILS.

Upon arrival, I observed a black Toyota Camry with a Florida tag of 568-2PQ, (unmarked FLPD vehicle).

The police vehicle was parked on the north side of the business, in the drive thru lane. I observed several spent ammo casings towards the rear of the vehicle. I then placed yellow crime scene tape from the intersection of N.W. 24th Ave and W. Sunrise Blvd, along the east bound side walk area of W. Sunrise Blvd., all the way to the east side of the business, and then south bound in the parking lot near several City of Ft. Lauderdale Public Works vehicle.

While securing the crime scene tape near the Public Works vehicle, I observed a dark color semi-automatic handgun in the dirt / mulch area near the shrub line and concrete wall dividing the property line.

The handgun WAS NOT touched by this officer.

I utilized the crime scene tape to prevent citizens from entering the crime scene area.

I then made contact with an McDonalds employee, and obtained several empty drinking cups.

I requested the cups to use as evidence markers, and prevent the spent ammo casings from being lost or moved from the original found location.

I observed a total of four (4) spent casings on the road surface, and were observed in the following area.

1. Right rear area of vehicle, several feet from the vehicle
2. Right rear area of vehicle, near bumper
3. Left rear area of vehicle, near the left rear tire
4. Left side of vehicle, next to the curb area

I placed dirt into the cups (as weight), and then placed the cups over the spent ammo casings.

I then was tasked by F.O.P. Representative / Officer V. Castiglia # 1324 to stand by with FLPD Detective M. Guerra # 1769. While Detective Guerra was in my possession, no officer or detective approached him. I then transported Detective Guerra to the FLPD Detective Bureau conference room.

That concludes my involvement.

N.F.I.

Case Supplement - Case #: 34-1611-174939 : Supplement

While driving southbound on I-95 near Oakland Park Blvd. in my marked police vehicle (#6595) Officers in District 2 advised over the radio of shoots fired at the McDonalds located at 2308 NW 8th Court at approx.. 1221 hours.

One of the subjects was last seen jumping over the wall and towards the construction site between NW 9th PL and W. Sunrise Blvd between NW 24th Ave and I-95.

I activated my emergency lights and sirens and responded to the south side of W. Sunrise Blvd between the McDonald's parking lot and I-95 to the first entrance of the construction site with Officer M. Preston.

I was then requested to respond to the eastern point of the McDonalds Lot to watch over a recovered Firearm that was lying on the dirt next to the south wall of the parking lot. The serial number was visible as FX1U001826. The handgun hammer was fully pulled back. A teletype check did not show this firearm was reported missing or stolen.

Officer W. Hernandez (1897) arrived on scene and I then spoke with Patrick Hanley who was standing in the parking lot next to a cream colored KIA Optima in the east lot of the McDonalds on the north side. He stated he was working on his tire when he heard 4 gun shots and someone yell "He has a gun!" He stated he then saw a black male approx.. 6 feet tall dressed in plaid or flannel shirt jump over the concrete wall where the firearm was found.

I also spoke with a city of Fort Lauderdale worker Edward Herrera who returned to his city van #6038) that was parked next to Hanley. Herrera stated he was inside of the McDonalds bathroom at the time of the incident and when he exited the bathroom his coworkers were yelling about a guy being shot and the vehicle taking off westbound.

On Monday 11/28/16 while working in the capacity of Homicide Detective I learned there was an Officer Involved Shooting through my police radio. My supervisor Sgt. Novak instructed me to respond to the scene and advised me that I was to head the investigation.

At approximately 1235 hours I responded to the scene which was a McDonald's restaurant located at 2300 W. Sunrise Blvd. I requested Crime Scene Investigations and Detectives Anthony Johnson/1394 and Franco/1346 respond to process the scene. I also requested Detectives from the Technical Services and Sgt. Hoover/1384 and Barrett/1157 responded to collect the CCTV video. I arrived at approximately 1245 hrs.

Upon arrival I saw several police cars, both marked and unmarked units. There also several uniformed Officers as well as plain clothes Detectives. A perimeter was established the entire parking lot to the restaurant was roped off with yellow crime scene tape. As I entered the scene I noticed Officer Fernandez/1693 was controlling the entry/exit on the west side of the parking lot.

Once inside the scene I made contact with Sergeants Magno/1261 and Dameron/1460 who briefed me on what happened. I also spoke with Officers Diaz/1482 and Burke/1575 who were holding several witnesses.

I took sworn audio recorded statements on scene from the following witnesses;

B/F Shayna Harvey DOB 3/5/1997

X21 NW 13th Ave. Fort Lauderdale, FL 33311

954-573-5027

Ms. Harvey is a McDonalds Manager and was one of the employees working the two drive-through windows. She was serving the suspects and saw the shooting.

W/M Patrick W. Hanley DOB 9/5/1974

1240 Hampton Blvd. Apt. 423 North Lauderdale, FL 33068

954-993-5223

Mr. Hanley was fixing the flat tire of his vehicle in the east side of the parking lot. He saw the suspect (Delisser) running away and jump the wall as Detectives pursued him.

B/M John Brooks DOB 5/17/1966

5336 SW 23 Street West Park, FL 33023

954-391-1431

Mr. Brooks was in front of 2231 NW 9th Place when he saw suspect (Delisser) running SB from McDonalds and

directed the pursuing Officers.

B/M Adjail Edwards DOB 7/16/98

3250 NW 18th Street Fort Lauderdale, FL 33311

954-702-8401 (Janet Edwards Mother 754-207-8514) Edwards is a 12th grader who was sitting in a booth inside McDonalds.

For details on what the witnesses said see the transcribed statements.

I also spoke with;

B/M John Washington Jr. DOB 9/26/1930

433 NW 18th Avenue Fort Lauderdale, FL 33311

754-422-6510

Mr. Washington was sitting in his vehicle, which was parked in the south west side of the parking lot, near the entry/exit area. Mr. Washington stated he did not see what took place but did hear some gun shots. He did not know how many. He also said he saw a lot of police activity soon after he heard the shots. No statement was taken from Mr. Washington.

While on scene I learned the suspect vehicle was located abandoned, approximately a mile away from the McDonalds at 2800 NW 15th Court. In the floorboard behind the driver's chair, there was a silver handgun in plain view. Det. Cabrera/1087 and CSI Clate/6617 responded to the vehicle scene. (See their supplements for details on their actions.)

By speaking with the aforementioned Sergeants Magno and Dameron, Officers Burke and Diaz, taking the statements from the listed witnesses and later with Detectives Shotwell/1139 and Breen/1100 who interviewed the rest of the witnesses I learned the following.

Rapid Offender Control (ROC) Detectives Falzone/1642 and Jones/1701 spotted a stolen gray Ford Fusion. They followed the vehicle to the McDonalds drive through and informed the rest of their team via police radio. They ran the tag though FLPD teletype at approximately 1219hrs. Once the vehicle was confirmed to have been stolen out of West Palm Beach on 11/01/16 Detectives Guerra/1769 and Clark/1662 who were staging across the street, drove their unmarked black Toyota Camry in the drive through lane. Detectives Jones and Falzone followed in their own unmarked vehicle.

Once they activated the emergency red and blue lights they approach the suspect vehicle on foot. It should be noted

that all plain clothes detectives were wearing their body armor with the word "Police" displayed in the front and back of their vest.

Detectives identified themselves as police and began to yell commands at the three occupants of the vehicle. At this point the front passenger (Delisser) bailed out of the car and fled SB. Det. Guerra and Clark pursued him. The rear passenger of the gray Ford Fusion got of the car and remained by the drive-through window area.

At the same time the driver of the Ford Fusion drove towards Det. Falzone and turned right, going over the drive-through curve, through some bushes, over the sidewalk and onto Sunrise Blvd. The driver of the Ford Fusion drove WB on the EB lanes until he reached the intersection of W. Sunrise Blvd. and NW 24th Ave. When the driver of the stolen vehicle drove forward towards Det. Falzone, Detectives discharge their handguns and fired a total of four rounds at the stolen vehicle.

Other detectives and uniform police officers responded and established the perimeter and shortly thereafter Delisser was taken into custody at 2204 NW 8th Ct. Detectives Guerra and Clack saw Delisser drop a handgun as he (Delisser) negotiated the four foot wall from the McDonald's parking lot. Detective Boharic/1359 recovered a black holster in front of 2331 NW 9th Ct.

In the midst of the chaotic scene while Detectives and patrol officers were setting up the perimeter, pursuing Delisser on foot and attempting to located the driver of the Ford Fusion who may have been injured during his getaway; the rear passenger managed to slip though the perimeter.

Before I left the scene I checked the CCTV system of the Valero Gas Station located at 2400 W. Sunrise Blvd. but none of their cameras pointed in the direction of the McDonald's and did not recorded anything of value. I cleared the scene at approximately 1441 hrs. and responded back to the FLPD headquarters.

At the FLPD I interviewed Delisser, who was on probation for dealing in stolen property out of Polk County FL. The interview was recorded on DVD. I read him his Miranda Warnings off of an FLPD issued form and he agreed to answer questions without an attorney. In summary Delisser said he came from West Palm Beach to visit his father who lives in Pompano Beach near NW 5th Ave and NW 6th St. According to him, he took bus number #62 near the VA Hospital on Beeline Rd. at approximately 0930 hrs. The bus dropped him off between 10 and 1030 hrs. in Pompano Beach on Dixie Hwy. near a motor shop called Power and Play. (550 N. Flagler Ave. Pompano Beach). According to him he walked to his father's residence.

Delisser said he just had gotten a job and took a bus to come from West Palm Beach to tell his father. He further said

he watched some TV at his father but then decided to go out and sell a pair of Nike Air Jordan's shoes he had gotten as a gift but the shoes did not fit.

As he was looking for buyers in the street is when he met with the driver of the stolen gray Ford Fusion who told him, that he (Delisser) should go to the swap shop to sell the shoes. Delisser said he had never met the driver before and did not ask his name. He offered the driver \$10 to take him to the swap shop. Along the way, a block or two from there, the driver stopped to pick up an individual Delisser said he knows as "BJ." Delisser further said he knows BJ from Northeast High School, where they both attended. BJ was the rear passenger of the stolen vehicle. He claimed not to have known why BJ got in the car.

Delisser continued and said he did not know the driver was going to stop at the McDonald's. But got scared when the he saw the police car and the detectives telling them to get out of the car. It was Delisser's story that he panicked and jumped out of the car and fled on foot. He jumped the wall behind the restaurant and acknowledged he was apprehended a little bit after that. Delisser admitted to having the gun but said that the driver of the stolen car tossed in his lap right before he bailed out of the car. So he took the gun and dropped it before he jumped the wall. He also said the gun was in a black holster. Delisser confirmed he was on probation as well. For details and a verbatim account of what Delisser said, see the DVD. Delisser was processed at the FLPD jail and later TOT the BSO Main Jail.

It should be noted that there is no direct bus route from West Palm Beach to Broward County as Delisser claimed. Palm Tran bus #62 travels from the Mall at Wellington Green (10300 W Forest Hill Blvd #2000, Wellington, FL 33414) to the Lake Worth tri-rail (1703 Lake Worth Rd, Lake Worth, FL 33460). Broward County Transit (BCT) bus #62 travels from West View Dr. and University Dr. in Coral Springs FL to McNab Rd. and US1 Fort Lauderdale FL. In order for Delisser to have used the public bus system from the VA hospital in West Palm Beach to the Power and Play Motorsports in Pompano Beach Delisser would have to have taken four buses, #2 to #1 in West Palm Beach and #10 to #42 in Broward, for a trip that would have lasted nearly four hours.

Next I requested a copy of the police radio transmissions as well as the Computer Automated Dispatch (CAD) for this incident. The BSO Comm. Center provided three CD's of the radio transmissions for District 2 main channel that recorded the incident; District 7 which recorded the vehicle recovery and teletype which recorded the confirmation of the stolen vehicle. All the CD's and the CAD were later placed into evidence along with the original Miranda form that Delisser signed before my interview.

On 11/29/16 I obtained a copy of the 2011-2012 Northeast HS yearbook and on 11/30/16 I responded to the North Broward Jail. I met with Delisser and showed him the book but he did not find a photo of BJ in the book. I reviewed the McDonalds video which shows some of the incident. (View the video for details.) The same day I met with the

following witness and took his sworn audio recorded statement;

B/M Tyler Hankerson, 4/22/1997

3271 NW 23rd Ct. Fort Lauderdale FL 33311

954-903-8510

Hankerson was driving the black Kia Optima that was behind the suspect car in the drive-through lane of McDonald the day of the incident. See the transcribed statement for details of what Hankerson said.

I then spoke with one of Northeast HS Assistant Principals, Mr. Keith Fisher 754-322-1582, and showed him the video from McDonalds which shows BJ walking away. Mr. Fisher said the individual looked somewhat familiar but neither he nor the rest of the school's security staff knew the name of the person. Later I issued a BOLO with BJ's photo to be disseminated OJ to include BSO Pompano Beach.

On 11/29/16 Detective Guerra/1769 informed me that one of his Confidential Informants (CI) told him that the driver of the stolen Ford Fusion was an individual by the name of Erick Carter. I searched BSO LEADS and found Erick Maurice Carter Jr. I completed a records check on Carter and learned he is a convicted felon but was not currently in probation. I requested his prints and Delisser's prints be compared to all prints recovered from the guns and the stolen vehicle.

On 12/1/16 Detective Steven Johnson/1706 contact me and told me got a good look at the driver and would be able to identify him. At this point in time I prepared a photographic line-up with Carter's photo in it and arrange for Detective Johnson to view it. I requested Detective Thomas/1443 record the line-up via DVD and digital audio. On 12/06/16 Detective Johnson viewed the line-up but did not select the photo of Carter. For further details see the DVD or the transcription of the process.

I later learned from Latent Print Examiner Del Valle/6614 that none of the prints recovered matched either Delisser or Carter. The prints of value were entered into CODIS but again none yielded another suspect.

Detective Breen, on 11/28/16 met with the owner of stolen Ford Fusion, Ashton Benn, and took a sworn audio recorded statement. Benn's gray Ford Fusion with Main tag 9326UG was taken from 1301 Belvedere Rd. West Palm Beach FL 33401 between 10/31/16 1830 hrs. and 11/01/16 0830 hrs. (Palm Beach Police Department OR 2016-0019658). Benn gave consent and signed a form giving FLPD detectives permission to search his vehicle. (See Det. Breen's supplement for details on his actions.)

CSI Detective Anthony Johnson/1394 photographed and processed the 2012 gray Ford Fusion. Afterwards I learned

there was a lot of property that belonged to different people, possibly victims of other crimes. I reached out to Emanuel Fornah 561-355-6622 who said his vehicle was broken into on 11/22/16 between 1700 and 2340 hrs. his vehicle was parked at 1601 Belvedere Rd. West Palm Beach FL 33401 (Palm Beach Police Department OR 2016-0021096). I also spoke with Michael Stanley and Tenaya Thompson 561-713-9373 who said their vehicle was broken into on 11/23/16 between 0200 and 0900 hrs. The vehicle was parked in their apartment complex located at 2884 Tennis Club Dr. West Palm Beach FL 33417 (Palm Beach County Sheriff's Office OR 16-155657).

Through a database available to Law Enforcement I learned that the 9MM FNH Model FNX-9 gun that Delisser dropped in the McDonald's parking lot was originally purchased by B/M James Agnor DOB 05/13/1989. Agnor was the victim of vehicle burglary out Ft. Lauderdale (OR 34-1611-174329) and reported his gun stolen on 11/27/2016, but since he did not have his serial number the gun was never entered into FCIC/NCIC.

The other handgun found in the stolen vehicle was a .380 Cal. made by Cobra Enterprises model CA380. That handgun was originally purchased by B/M Shuan L. Seabrook DOB 6/15/1978 in 2004. The handgun was not entered into FCIC/NCIC as stolen. Thus far I have not been able to locate Seabrook to ascertain how he disposed of the handgun that was recovered in the stolen vehicle.

I met with CSI Detective A. Johnson/1394 and requested he send both handguns to the lab. Also I requested he send swabs of the blood from the driver's door panel; swabs from the steering wheel; swabs from both handguns and from the holster.

On 12/12/16 I took the sworn audio recorded statement from Detectives Falzone and Jones. (See the respective statement for details on what each of them said.) It should be noted that the driver of the stolen vehicle has not been identified and has not come forward. Given the lack of blood inside the vehicle cab it is not likely that neither of the Detectives struck the driver of the stolen vehicle as he drove towards Detective Falzone.

This investigation will be ongoing until all the evidence is processed and comes back from the lab.

On 5/31/17 I received the BSO Crime Lab Analysis Report from the DNA sent to the lab. The report identified the blood which was collected from the interior driver's side door panel as belonging to TAVARES TAYLOR 05/15/1996. On 6/13/17 I prepared an arrest warrant for TAYLOR which was reviewed by ASA Paul Valcore and signed by the Honorable Judge Singhal.

Additionally I learned that TAYLOR was wanted out of Palm Beach County for a similar incident that took place on 3/27/17. TAYLOR attempted to run over a Sheriff Deputy in an attempt to get away Palm Beach County Sheriff's Officer Report 17-056539 (enclosed).

On 7/20/17 TAYLOR was arrested for the warrants and was housed at the BSO Main Jail. On 08/01/17 I met with TAYLOR and read him his Miranda Rights which he said he understood his rights and agreed to answer questions. My interaction with TAYLOR was audibly recorded. In summary TAYLOR denied ever being in the 2012 Gray Ford Fusion with Main Tags. He denied ever being at the McDonald's where the incident took place and being shot at by police officers. He acknowledged knowing Deonte Delisser but denied knowing Eric Carter. For details on what TAYLOR said read the transcripts or listen to the recording. This will case will be CLOSED BY ARREST sent to the SAO for filing.

NARRATIVE

On Monday, 11/28/2016, at 12:34, at the direction of Detective Sergeant Novak (1380), I responded to (McDonald's) 2300 W Sunrise Blvd along with other detectives to assist with an investigation. See initial and supplemental reports for details.

At 13:14, while on scene, I interviewed (witness) Lavette Magnus, B/F, DOB 01/06/1998, a McDonald's employee, and she gave a sworn statement which was recorded regarding the offense.

I then drove Ms. Magnus in my assigned car from McDonald's to the intersection of NW 24 Av / NW 8 Ct where Officer Torres (1481) had a male (Deonte Delisser, B/M, DOB 10/20/1996) detained. Ms. Magnus said she was unable to ID the driver or front passenger, but could possibly ID the black male passenger who exited the left rear seat of the involved car. At 13:33, a witness show-up was done and Ms. Magnus said the male (Deonte Delisser) was not that person.

Ms. Magnus also gave a sworn statement regarding the show-up which was recorded. The two recordings will be transcribed and downloaded to FORAY. See transcripts for details.

At 14:43, I interviewed (witness) Officer Vazquez (1550) at 1300 W Broward Blvd where he gave a voluntary sworn statement which was recorded regarding the offense. The recording will be transcribed and downloaded to FORAY. See transcript for details.

The car that was involved and later recovered during this offense was found to have been reported stolen to West Palm Beach PD on 11/01/2016. I contacted West Palm Beach PD and requested their report re the stolen vehicle (2016-0019658).

At 15:35, I called the owner of the stolen vehicle, Ashton Benn, W/M, DOB 04/06/1993, at 207-319-2000, and later met him in WPB. At 17:37, in a recorded sworn statement, Mr. Benn explained the circumstances surrounding the auto theft which occurred in the parking lot of Holiday Inn, 1301 Belvedere Rd, WPB, FL. The recording will be transcribed and downloaded to FORAY. See transcript for details.

There are no suspects regarding the stolen vehicle.

Mr. Benn gave permission and signed a consent to search form which will be placed in evidence to search his vehicle (2012 Ford Fusion 4D, VIN 3FAHP0HAXCR253848, Maine LIC 9326UG).

Incident: Auto Theft (Police Involved Shooting)

Location: Occurred at 2300 W. Sunrise Blvd. Responded to 2872 NW 15th Ct.

On Monday, November 28, 2016 I (Crime Scene Investigator A. Clate CCN# 6617) was requested to by Crime Scene Detective A. Johnson (CCN# 1394) to respond to 2872 NW 15th Ct in reference to photographing and documenting the suspect's vehicle. I went en-route at approximately 1325 hours. I arrived on scene at approximately 1339 hours. FLPD police officers and Homicide Detective J. Cabrera (CCN# 1087) were present on scene.

For details regarding the initial crime scene, please refer to Detective Johnson's report. I took photographs of a gray, four door, Ford Fusion bearing Maine tag 9326 UG located along the SW side of the above location in the grass. The vehicle was oriented to the east. Damage was observed to the rear bumper area. The front driver's side window was shattered and glass was observed on top of the interior front driver's side seat. I observed what appeared to be a bullet hole with a visible projectile located inside of it located on the exterior front driver's side door frame. At the request of Homicide Detective Cabrera, I collected the projectile prior to the vehicle being towed in order to prevent the projectile from being lost in transit. I observed (2) additional defects consistent with bullet holes to the front windshield area. A handgun was observed through the opened rear driver's side window on the floorboard of the rear driver's side seat. The barrel was oriented to the north.

I secured all doors, trunk and the hood with red evidence tape. The vehicle was towed to FLPD forensics garage by Westway Towing.

I cleared the scene with Westway Towing at approximately 1427 hours. The vehicle was in my presence the entire time as I followed the tow truck to FLPD forensics garage.

The vehicle was secured in the FLPD forensics garage at approximately 1445 hours upon our arrival.

For details regarding the processing and items of evidence from the vehicle, please refer to Detective Johnson's report.

At the request of Homicide Sgt. S. Novak (CCN# 1380), I responded to FLPD CSI unit to photograph the Detective's involved and collect their firearms and ammunition.

FLPD Detective V. Falzone (CCN# 1642)

I took photographs of Detective Falzone wearing a blue, short sleeved t-shirt, blue jeans and brown shoes. He was wearing a black bullet proof vest with a patch at the top of the vest that read "POLICE". The back of the vest had a patch at the top of the vest that read "POLICE". A gold colored FLPD Detective badge was observed on the front right hip of the Detective. Next to the badge was the Detective's handgun on his right hip area.

I photographed and collected the following items from Detective Falzone:

(Evidence Item #12)-Glock 17 Gen 4 Semi-automatic 9mm handgun S/N BBDA688 with a (17) count magazine.

(Evidence Item #13)-(15) R-P 9mm Luger +P live rounds from in the magazine of the handgun.

(Evidence Item #14)-(1) R-P 9mm Luger +P live round from in the chamber of the handgun.

I observed and photographed redness to Detective Falzone's right forearm area and his right knee.

FLPD Detective J. Jones (CCN# 1701)

I took photographs of Detective Jones wearing a black "Dolphins" hat, black short sleeved t-shirt, blue jeans and orange/gray sneakers. He was wearing a black bullet proof vest. I observed his name tag "J. Jones" on the front right side of the vest, an American flag patch directly beside the name tag, and a FLPD police patch directly beside the American flag patch on the left side. His police radio was located in a front vest pocket on the left side. The back of the vest had a patch at the top of the vest that read "POLICE". A silver colored FLPD Detective badge was observed on the front right hip of the Detective. Next to the badge was the Detective's handgun on his right hip area. A pair of handcuffs was observed on the Detective's left rear hip. Directly in front of the handcuffs was a (17) count magazine loaded with (17) R-P 9mm Luger +P live rounds. On the left side of the Detective's bullet proof vest was an additional (17) magazine loaded with (17) R-P 9mm Luger +P live rounds. Per Sgt. Novak, collection of the (2) extra magazines was not needed.

I collected the following items from Detective Jones:

(Evidence Item #15)- Glock 17 Gen 4 Semi-automatic 9mm handgun S/N YYV839 with a (17) count magazine.

(Evidence Item #16)-(15) R-P 9mm Luger +P live rounds from in the magazine of the handgun.

(Evidence Item #17)-(1) R-P 9mm Luger +P live round from in the chamber of the handgun.

I secured all items in my forensics locker.

November 29, 2016

I packaged the projectile (Evidence Item #18) collected from the exterior front driver's side door frame of the gray, four door, Ford Fusion bearing Maine tag 9326 UG.

All evidence items #12-#18 were submitted into Evidence to be sent at a later time to BSO lab by Detective Johnson.

This concluded my involvement in this case.

NOTIFICATION

On, Monday, November 11, 2017, about 1241 hours, I was notified by Detective O. ALMANZAR (CCN 1473), Fort Lauderdale Police Department (FLPD), Homicide Unit, in my capacity as a Crime Scene Detective to assist with a Shooting investigation that occurred at 2300 W. Sunrise Boulevard, Fort Lauderdale, FL.

ARRIVAL

About 1300 hours, I arrived at the scene and observed the scene was maintained by Patrol Officers. I made contact with Officer M. JOHNSON (CCN 1638), FLPD Patrol Division, who advised he had collected a gun holster and a black hand towel from the ground near 2231 NW 9 Court. I directed him to maintain custody of it until he could submit it into the FLPD Evidence Unit.

I met with Detective J. CABRERA (CCN 1087), FLPD Homicide Unit and Detective J. FRANCO (CCN 1346), FLPD Crime Scene Unit (CSU). CLOSE-OUT MEMORANDUM

To: File

From: Bernadine Philippe *B.P.*

Re: Jonathan Jones and Detective Vincent Falzone/ File #SP17-05-036

Date: November 21, 2017

Reason for Close-out:

The Fort Lauderdale Police Department asked the Broward State Attorney's Office to review an incident where Detective Jonathan Jones and Detective Vincent Falzone discharged their firearms at the driver of the 2012 Gray Ford Fusion. Both Detective Jones and Detective Falzone are detectives in the Fort Lauderdale Police Department's Rapid Offender Control Squad (ROC). The issue is whether Detective Jones and Detective Falzone were justified in using excessive force by discharging their firearms. After thoroughly reviewing the investigative file, including sworn statements provided by Detective Jones, Detective Falzone and several Fort Lauderdale Police Officers and civilians that were present at the scene, I have concluded that both Detective Jones and Detective Falzone were justified in discharging their firearms at the driver of the 2012 Gray Ford Fusion.

On November 28, 2016, Detective Jones and Detective Falzone were on duty driving around in Detective Falzone's unmarked police car. Detective Falzone was the driver and Detective Jones was the passenger. They spotted a 2012 Gray Ford Fusion with a Maine tag that looked suspicious because of the damage that was on the car. As they drove behind the car, Detective Jones ran the tag on teletype and noticed the car was stolen. It was later determined that the car was stolen from West Palm Beach on November 1, 2016. Detective Jones and Detective Falzone followed the stolen car to the McDonald's located at 2401 W. Sunrise Blvd. Fort Lauderdale, FL 33311. As they followed the stolen car, Detective Jones notified fellow police officers in the ROC squad via police radio that back up was needed as he and Detective Falzone were going to effectuate a felony stop.

The stolen car entered the McDonald's drive thru lane. Detective Matthew Guerra, a member of the ROC squad was at the Valero gas station located across the street from the McDonalds. He drove his unmarked police car in the opposite direction of the drive thru lane and stopped in front of the stolen car. Detective Falzone and Detective Jones followed and stopped behind Detective Guerra's car. Both unmarked police cars activated their sirens and emergency

red and blue lights. Detective Guerra, Detective Falzone and Detective Jones exited their cars and approached the stolen car. They were wearing plain clothes with their black tactical vests with the word "Police" displayed in the front and back of their vests. As they approached the stolen car that was occupied by three black males, the front passenger exited the car and fled on foot. Detective Guerra proceeded to chase the front passenger on foot. At some point the passenger seated in the back of the stolen car exited the car and fled on foot. None of the officers pursued him. As the driver of the stolen car tried to flee the scene, he drove aggressively towards Detective Falzone and hit Detective Falzone with the stolen car. Detective Falzone shot at the driver of the stolen vehicle two times when he saw the car coming towards him. The driver then made its way towards Detective Jones so Detective Jones shot at the driver of the vehicle two times.

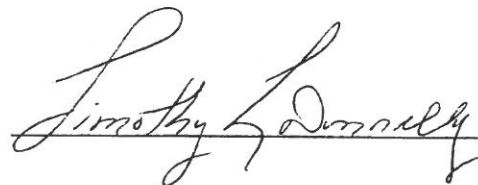

The driver managed to get away. The stolen car was found abandoned a mile away from the incident in the 2800 block of NW 15th Court. A handgun was found in the rear passenger floor board behind the driver's seat. The driver's side window was struck by bullets and shattered. A small speck of blood was found on the inside panel of the driver's door. It was later determined through DNA, that the driver of the stolen car was Tavares T. Taylor. In a statement taken by Detective Orlando Almanzar, Tavares Taylor denied being in the 2012 Gray Ford Fusion. He also denied being at the McDonalds where the incident took place and being shot at by the police officers.

On December 12, 2016, Detective Jones and Detective Falzone individually gave voluntary statements to Detective Almanzar. They both were accompanied by their attorney, Michael Dutko, during their statements. They each gave a detailed account of the incident. Detective Falzone stated he was in fear for his life when he shot at the driver of the stolen car. He also stated that as the car was coming towards him, he saw something that looked like a gun in the driver's right hand. Detective Jones also stated he was in fear for his life when the car headed towards his direction after Detective Falzone was hit. An officer is justified in the use of any force that he or she reasonably believes necessary to defend himself or herself or another from bodily harm while making the arrest. FL. Stat. 776.05(1) (2016).

Based on the facts of this case, both Detective Falzone and Detective Jones were justified in the discharge of their firearms. While conducting a felony stop, the driver of the stolen car tried to hit them with the car. As a result, they discharged their firearms because they believed they were in imminent fear of death or bodily harm.

This matter should now be closed.
